## *ALMA MATER*

We've got the finest school that's in the land;  
We'll set our goal and there we'll take a stand  
To put old Rock Springs on the top, top, top;  
We'll do this and we'll never stop, stop, stop.  
So fight, fight, fight, all the time;  
And soon the whole wide world will quickly find  
We'll stand for work, play, fun, pep, zip-boom-bah!  
Zip-boom-bah! Rah! Rah! Rah!

# *ROSPHIAN*

Published by the Senior Class

Volume XIX

Denver, North Carolina

The above breezeway, built in 1949, has been crossed many times during the school year by high school students. They meet each other going and coming, and usually there is a friendly "hello" or "hi".

However, for a number of years, the breezeway has had a special meaning for the seniors, their mascots, and class sponsor. Seniors and mascots have left their homeroom, donned in graduation cap and gown of navy blue, made their exit down the breezeway steps, marched to the front of the main building, and formed a processional down the auditorium aisle. It was graduation night - an event of mixed emotions.

The seniors of 1949 published the first edition of the Rosphian. Each year, since that time, the senior class members have sponsored an edition. The class of 1967 is presenting to you this, the nineteenth volume, the final one as a new high school is under construction for next year. This class, too, will soon make its final exit down the breezeway steps to a new and different life.

*FALL*

A fall scene in the front yard at Rock Springs.

## WINTER

Snow usually falls in our section in January, February, or March. This gives a few holidays from school.

Spring brings outside activities. One of the highlights for all grades is May Day.

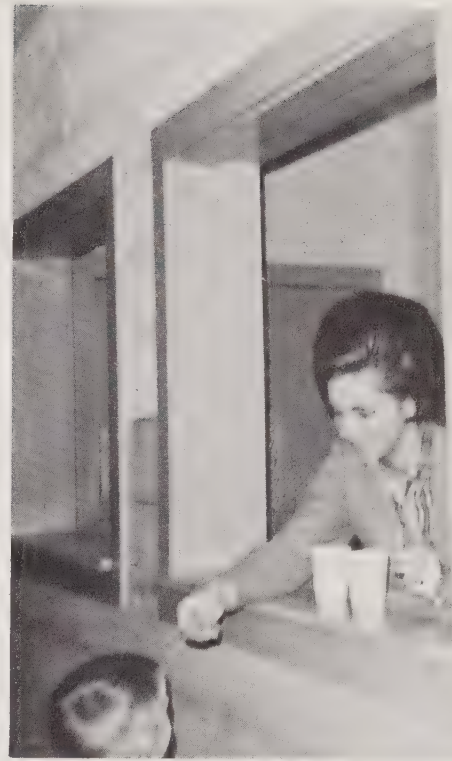

## SPRING

## *FOREWORD*

For you, the students of Rock Springs, this volume of the *Rosphian* is larger and different. This edition required much thought, planning, and work. It portrays the activities of each season of the school year - the season in which the leaves turn to gold; the period of the year which brings cold weather and sometimes snow; and the time of year when the leaves and grass turn green, and quite often brings a fresh outlook on life.

We hope you will be pleased with this copy, and that it will, at least to some degree, reflect our honor, devotion, and love for Rock Springs School.

Our main regret is that the candid camera-man could not catch you more often and place you in this, the nineteenth volume of the *Rosphian*. However, we hope you will find yourself pictured on some page, whether it be class, sport, or favorite spot at school, which will bring joy now, and happy recollections in years to come. If this be done, then we, the last graduating class of Rock Springs High, will have fulfilled our earnest aims.

## *OUR PRINCIPAL*

To say that the one who has been our principal for twelve years - one who came to Rock Springs the year the graduating class of 1967 entered the first grade - has given much service to education can be said about many another man. But it is a rare individual who has been as patient, helpful, and understanding as our principal. We are grateful to the one who has followed our achievements, activities, and records.

With deep respect, we pay tribute to

MR. CHARLES N. CLARK, PRINCIPAL

Work is man's pleasure. Let us do away with the hunt and peck, Barron.

Play keeps one from being a dull pupil.

## *FALL*

Fall - we're on our way! September, school starts, for some, the last time. For some, the first time.

Classes, clubs organized, senior class rings - an exciting start. October comes quickly, with Homecoming and Hallowe'en. November - Thanksgiving, and the Lion's Peace Essay.

The leaves have turned to gold, soon to drop off. Officers have been elected, the first Warrior published, the Rospian started, and pictures of each individual in school taken by Delmar Studios.

We're SENIORS! What a glorious, yet sad feeling! The beginning of the end. Fall, winter, spring, then we, the seniors, leave Rock Springs for the last time.

\*Home Games

The bench is ready!

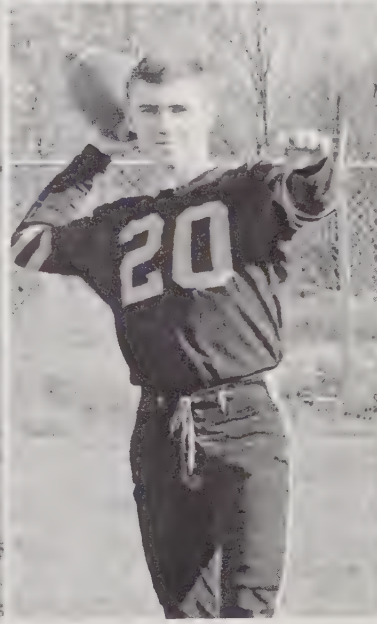

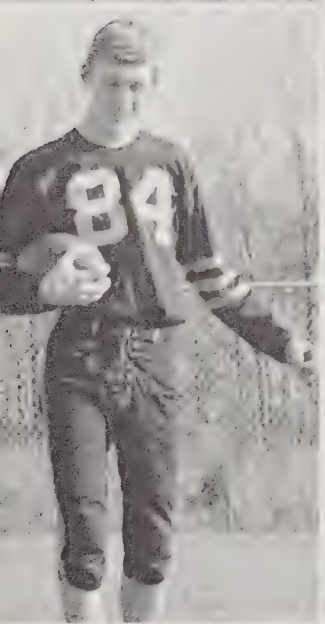

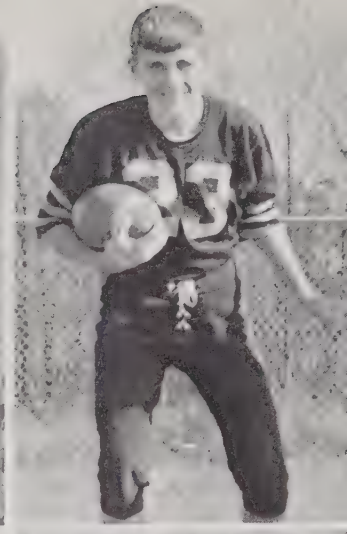

The year started with a new football coach, Mr. Aubrey Correll. The season was one which consisted of Rock Springs playing larger teams. The Warriors won their first conference game over Hildebran, 35 to 19. The action shots pictured in this book are that of the homecoming game with St. Stephens.

The team did not elect a captain this year. The coaching staff chose the captains for each game. The selection was based on outstanding play and bustle during the practice week. The boys receiving this honor were: Ellis McIntosh, Donnie Brown, Boyce Lynch, Ronnie Lineberger, Alfred Cherry, Ricky Barker, Nelson Howard, Gerald Brotherton.

# *STUDENT COUNCIL*

The Rock Springs Student Council meets once a week to discuss new and old business, and put projects for the benefit of the school into full-scale operation. The election of new officers takes place in the spring. The rising freshman, sophomore, and junior class members cast their votes. A committee, consisting of the president, the sponsor, and a representative from each grade nominate two people for the office. A petition may be secured to submit the name of an additional person to run for the office. After a period of campaigning, the voting takes place. The homeroom representatives are selected at the beginning of the new school year by the respective homeroom. Certain standards must be met in order to remain a member of the organization. The Student Council held a chapel program this year on football rules, safe driving, and Thanksgiving. One of the big events of the year is Homecoming which is sponsored by the Student Council. This year the members held a car wash in order to pay for the flowers for the girls which made up the homecoming court.

Beta Club members at Rock Springs are selected on the basis of grades, character, leadership, and achievements by the high school faculty. The organization works toward the betterment of the school in many ways. The members sponsor chapel programs, and sell at the concession stand during football and basketball games. The big event for the club is the sponsorship of Fall Festival in which all grades participate. Pictured above are the sponsor and some of the members decorating the stage for the event which was held on November 19.

The above regular bus drivers deserve a lot of credit and praise for the part that they play in helping to carry out the educational set-up. Without the bus loads of students, would there be a school day?

## *WINTER*

Winter brings the rush of getting ready for Christmas - the Glee Club and Band Concert - the parties, the exchange of gifts, probably the attending of a presentation of the "Messiah," or a Christmas pageant.

Basketball games are running on schedule, senior superlatives have been chosen, Miss Rock Springs has been elected, the May Queen and Maid of Honor announced. An exciting day - January 23 - ordering of graduation announcements.

January, February and March often bring snow -

Then we look forward to Spring.

Members of the girls' basketball team were sorry to hear that Mr. Nixon would be unable to coach again this year. However, with their new coach, Mrs. Dellinger, they hope to roll on to new heights this season. Afternoon practices held each day were attended by a large number of enthusiastic girls who played hard to make the team.

## *SPRING*

For seniors - four hundred twenty weeks down and twelve to go. March brings baseball and winds. 'Tis spring. April - showers, the Junior-Senior Banquet, and romance. May - Senior Class May Day, final examinations, and graduation.

• • • • •

At the commencement exercises, the seniors will wear the caps and gowns with dignity, and accept the diplomas with pride. The future for the graduate may mean college, or some other school of formal training, a job, or wedding bells. Spring will be almost over - school will be over. At last, we will be graduates of Rock Springs High!

Music is appropriate any time of the year, but in the spring, our hearts are gayer, and we associate music with joy.

Pictured above is the only toy orchestra of 1966 - the graduating class of 1967.

## SENIOR CLASS SONG

(Tune: "No Man Is An Island")

It's our graduation  
The time is now here;  
When we must say good-by  
To each long, happy year.

Our friends we'll remember  
And our teachers too,  
But most of all dear Rock Springs  
We'll remember you.

The future is brighter  
The pathway is clear,  
For in our hearts are memories  
Held from each cherished year.

This night is our night  
This night, ours alone,  
This night always remembered  
This night at Rock Springs High.

Betty Crocker Search for the  
American Homemaker of Tomorrow is  
Wanda King.

This is an educational and scholar-  
ship program open to all senior girls.

Wanda made the highest grade  
from Rock Springs High School on a  
written examination of homemaking  
knowledge and skills.

This search gives those who  
participate a better understanding  
and appreciation of homemaking.

## Reddy To Rock

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more than that.

*Fine Fabrics Made in America Since 1813*

Many things go into the making of a yearbook that the person who has not been editor or advisor does not realize.

A yearbook consists of the efforts of many people, united, yet working separately toward one goal.

No matter how outstanding a yearbook may be it is not a success if there is not money with which to pay the bills. Many members of this senior class contributed generously - all outside school hours - of their time, energy, and expense to solicit advertisements to keep their yearbook out of the red and to have more pages this year. The first thanks and appreciation go to those people. The one who brought in the most advertisement receipts won for herself the title, "Miss Rosphian."

The advertisements, within themselves, took a lot of record keeping and typewriting.

Next came days of conducting a subscription campaign for the sale of the Rosphian. This required interest, time, and much record keeping also.

The advertisements and subscriptions were met with the greatest success ever. Then came the preparation for the actual work on the book. Selection of a theme, determining the amount of copy, number and type of pictures, where and how made - in case of sunshine - in case of rain - these are but a few of the problems considered when determining the layout. After the layout was completed and pictures arrived came the actual work on the materials that make up the yearbook. All this took time and hard work by members of the senior class.

Without those who were able to work after school hours to plan the contents, theme, picture schedule, and to do necessary work the completion of this yearbook to meet a deadline would have been impossible. I feel that they are due a "Special Annual Feature", and a note of thanks.

A few weeks after mailing the material to Delmar Printing Company the proofs return to be read and any errors corrected. When the yearbook arrives, there must be supervision of the distribution and the closing of the book-keeping records.

I wish to pay tribute to the seniors who contributed so vitally to the making of the 1967 Rosphian. My regrets go to those who because of their daily schedule were not able to give assistance. We hope that out of our efforts has come a book of which you, the student body, the parents, and teachers will be proud.

It has been a pleasure to have had the privilege of acting in an advisory capacity for the Rosphian.
